Smoky Lime Wash

LIME WASH

Soft movement.

Clouded colour. Gentle shifts in tone. A surface that changes as light travels across it.

CONCRETE / IN CONTEXT

Quiet texture. Everyday spaces.

A finished wall, seen in its setting. Light, furniture and scale all change how a texture reads.

STENCIL / DECORATIVE RELIEF

Let the wall speak.

A repeated motif brings pattern into the surface. Explore contrast, scale and the way light catches the raised detail.

FARRY / REFLECTIVE FINISHES

Catch the light.

Surface shimmer depends on the light. Compare the finish by a window and under the lighting planned for your room.

COLOUR STORY / COOL

Turn up the colour.

AQUA MIST

BLUE PEARL

Rich colour and visible movement, selected from the finishes gallery.

COLOUR STORY / WARM

Earth. Peach. Gold.

Terracotta Earth

Peach Blush

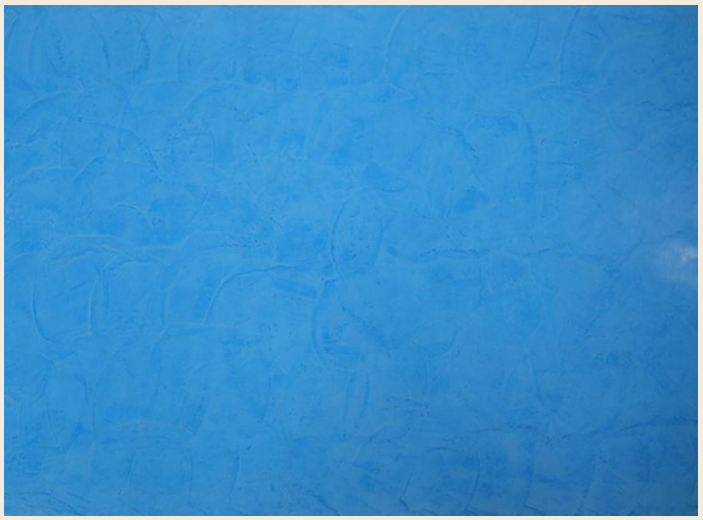

Pearl Gold

Build a palette around the materials already in your space. Compare warm textures with your timber, stone and fabrics.

COLOUR STORY / BEYOND NEUTRALS

Make room for bold.

From vivid stucco to muted violet, texture gives colour another dimension.

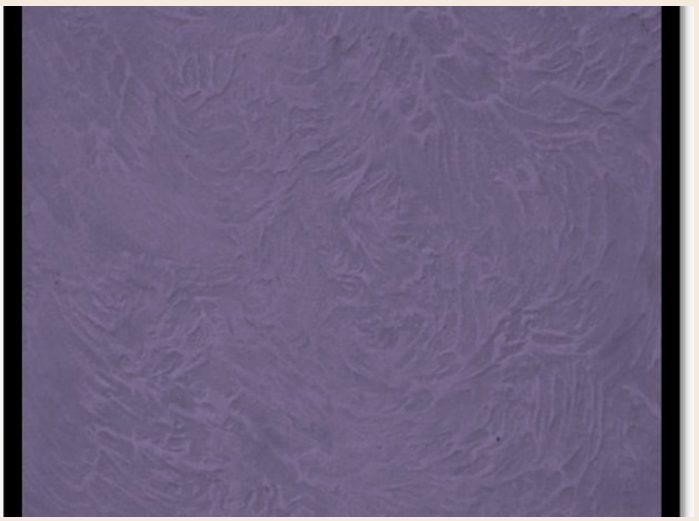

Blue stucco

Green stucco

Pink stucco

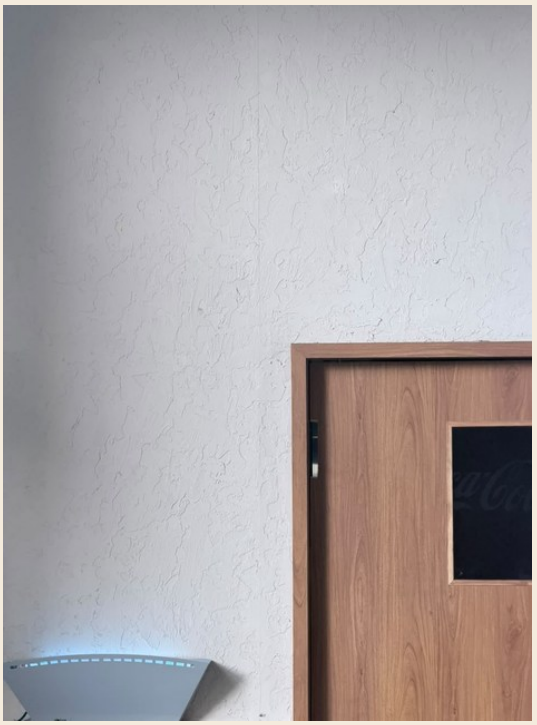

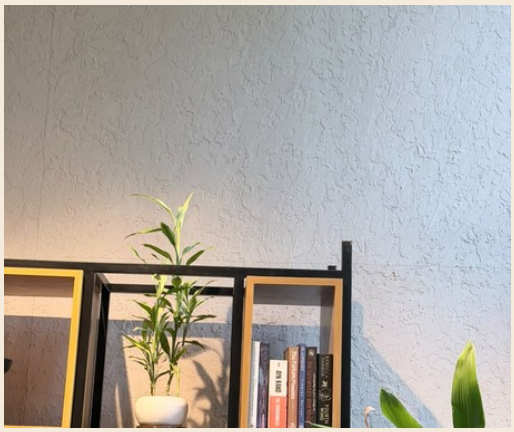

Velvet Violet

WALLS / IN CONTEXT

Texture lives with the room.

Look at the whole wall. Then look closely. The same finish can feel different beside dark timber, shelving or a doorway.
